

New Year's Eve

2009

We promise to deliver an unforgettable night on one of our special "New Year's Eve" riverboats. They are the choice of many.

The illuminations, perhaps Tower bridge opening specially for you, a night club atmosphere inside, 2 bars selling drinks at normal London Pub prices, all add up to a great party night out on the Thames.

PARTY NIGHT ABOARD THE **DIXIE QUEEN** LONDON'S LARGEST CRUISING

We promise a spectacular night on this stunning \$10 million conversion into London's finest showboat. The Dixie Queen is our capital's largest party and event boat, cruising from Tower Bridge to the Thames Barrier and beyond. Fitted with a full specification Night Club lighting and sound rig, on the top deck there is over 2500 sq. ft. of dining and dance area.

Although licensed for 575 guests we are restricting numbers to just 520 to ensure comfort. Be welcomed on board with a **complimentary Bucks Fizz**, before exploring her luxurious interior. Two bars will serve reasonably-priced drinks throughout the cruise.

As we set off you will have the fantastic photo opportunity of seeing **Tower Bridge open especially for you** - both ways!

Over 2000 sq. ft. of exterior decking on two levels gives everyone unrivalled views of the illuminated Thames sights. And if you want to relax and unwind from the **Night Club** we have a 140 cover lower deck restaurant area and bar for your use.
